

Please consider action against Sinclair  
Broadcasting's decision to force their stations to air  
the anti-Kerry documentary, "Stolen Honor", just  
days before the election.

The free use of public airwaves obligates Sinclair, by  
law, to serve the public interest. The needs of our  
democracy as a whole are threatened when large  
companies have so much control .

As Sinclair's actions have demonstrated, media  
ownership rules are in desperate need of  
strengthening. The privilege of license renewal  
needs to be based upon a company's record and  
adherence to the law, not the simple act of filling out  
a form. Thank you.
